

GUIDE TO ABSENTEE BIDDING

Absentee Bids: If you are unable to attend the auction in person, and wish to place bids, you may give Hall's Auction Services Ltd. instructions to bid on your behalf. Our bid administrator will then try to purchase the lot(s) of your choice for the lowest price possible, and never for more than the top amount you indicate. Hall's Auction Services Ltd. will **only** open bidding with an absentee bid when there are multiple bids for the same lot or, if necessary, at the reserve.

Please note: Hall's Auction Services Ltd. offers this complimentary service to clients who are unable to attend the sale and, although we will make every effort at accuracy, Hall's will not be responsible for errors in the execution of bids.

Bids will be accepted until Noon (local time) day of sale. Bids received after this time are not guaranteed to be implemented.

Placing Absentee Bids: To place bids, please use the absentee bid form on the reverse side of this sheet. Be sure to accurately record lot numbers, descriptions and a firm top price you are willing to pay for each lot. "Buy" or "unlimited" bids will not be accepted. Always indicate a 'top limit' - the amount to which you would bid if you were attending the auction in person. Please place bids in lot order.

Please place your bids as early as possible. In the event of identical absentee bids, the earliest received will take precedence.

Please note that there may be circumstances where a bid on the floor is accepted at the top level you have indicated, or where your top indicated bid does not meet the bid increment (i.e. bidding is at \$1000, the next increment is \$1100, your bid of \$1007 will not be sufficient). In these cases you will not be the successful bidder.

Telephone Bids: Telephone bids must be pre-arranged and are limited by physical resources. To register for a telephone bid please fill out the absentee bid form on the reverse side of this sheet indicating PHONE in the bid column. You may wish to consider leaving a back-up absentee bid amount in the event that there is trouble reaching you by telephone.

Buyer's Premium: The 'top limit' you indicate on your absentee bid form is for the hammer price exclusive of any buyer's premium or G.S.T.

Successful Bids: Successful bidders will be notified and invoiced following the sale.

Selling Prices: Selling prices will be posted to our website the day following the auction. Please consult the website prior to phoning our offices for results.
